## Generation 1

### 1. Rhein Executioners-1. Sex: Male.

Notes for Rhein Executioners:

General Notes:

During my search for the forebears of Wolfgang Rhein I elected to enter in my genealogy software the Rhein (Rein) executioners who were born in the Sixteenth and Seventeenth Centuries in Alsace and in the Saarland in the Holy Roman Empire and in the Kingdom of Lorraine with the hope that one or more of them might be related to Wolfgang Rhein. To date I have not been able to verify that any of the following individuals are in fact related to my line. As my search for my Rhein forebears is ongoing they are listed here pending further verification.

The names are from a variety of sources:

"Scharfichter und Schindersippen" von Eike Pies, a reconstructed CD, ISBN 3-90132-17-6, 2001, druck & buck, Michael Ronsberg, GbR, 30 D-422285 Wuppertal.
